

Book your free car seat fitting now

Your child's safety is important, that's why we're offering free seat fittings and safety checks in Brisbane and Logan in partnership with Kidsafe QLD.

One-in-two child car seats aren't fitted properly, tripling the risk of injury—so book now to get yours professionally checked.

Free fittings are available at Logan Hospital, Kidsafe in Windsor and the Mater Hospital in South Brisbane.

Fittings must be booked and will take place between July 2020 – June 2021.
